Votes received by the Scrutineer outside the Voting Period, i.e. prior to or after the Voting Period, will be disregarded and of no effect.

2. Along with the Form for Vote Submission, bondholders have to submit the following documents (if not submitted already in advance or by the end of the Voting Period at the latest):
 - a) the proof of eligibility in form of the Special Confirmation with Blocking Note issued by the Custodian (as defined below); and
 - b) a power of attorney in text form (Section 126b BGB) if such bondholder is represented by a third party during the vote without meeting.

In order to speed up the process and the counting of the votes, the Issuer requests that bondholders submit the abovementioned documents (except for the Form for Vote Submission) at their earliest convenience before the Voting Period to the Scrutineer.

3. This Form for Vote Submission only encompasses resolution items and resolution proposals that have been proposed either by the Issuer itself or that have been received by the Issuer in good time so that they could still be reflected in this Form for Vote Submission.

This Form for Vote Submission will be updated should the Issuer receive countermotions, procedural motions or requests for additional resolution items. Updates will be made available on the Issuer’s website (www.slm-solutions.com/investor-relations/convertible-bond).

4. Voting rights may also be exercised by a proxy. The power of attorney and any instructions by the principal to the proxy must be made in text form (Section 126b BGB). The power of attorney must be proven towards the Scrutineer no later than by the end of the Voting Period by submitting the power of attorney in text form. Also in case of a vote submission by proxy, the Special Confirmation with Blocking Note on the principal's ownership must be submitted to the Scrutineer in accordance with no. 5 below no later than by the end of the Voting Period. Further, to the extent applicable, evidence of representation (*Vertretungsnachweise*) in accordance with no. 6 or no. 7 below should also be submitted to the Scrutineer no later than by the end of the Voting Period.
5. Bondholders must demonstrate their eligibility to participate in the vote without meeting no later than by the end of the Voting Period. For this purpose, a current proof of ownership of the Bonds 2017/2022 issued by the Custodian pursuant to lit. a) below (the "**Special Confirmation**") and a blocking note of the Custodian pursuant to lit. b) below (the "**Blocking Note**") have to be submitted in text form (Section 126b BGB):

a) Special Confirmation

The required Special Confirmation is a confirmation in text form issued by the Custodian of the respective bondholder stating the full name and address of the bondholder and specifying the aggregate principal amount of Bonds 2017/2022 credited on the issue date of the Special Confirmation to such bondholder's securities account maintained with such Custodian.

Pursuant to the terms and conditions of the bonds, "**Custodian**" means any bank or other financial institution with which the bondholder maintains a securities account in respect of any Bonds 2017/2022 and having an account maintained with Clearstream Banking AG, Frankfurt am Main ("**Clearstream**"), and includes Clearstream.

Bondholders are requested to contact their Custodian in good time regarding the issuance of the Special Confirmation with Blocking Note.

Bondholders who fail to submit the Special Confirmation with Blocking Note in text form (Section 126b BGB) by the end of the Voting Period will not be eligible to participate in the voting. Proxies will also not be entitled to exercise the voting right in such cases.

This may be done by

submitting a current excerpt from the relevant register (e.g. commercial register (*Handelsregister*), register of associations (*Vereinsregister*)) or by means of any other equivalent confirmation (e.g. certificate of incumbency, secretary's certificate). Such proof of the power of representation is not a prerequisite for votes to be taken into account in the vote without meeting.

7. Such proof of the power of representation is not a prerequisite for votes to be taken into account in the vote without meeting.
